We will begin measuring for recital costumes the first week of

December. All costumes must be ordered before January 1st; in order to get them here in time for recital. Also all costumes must be paid for by me when ordered; so please remember to send in your costume deposit. It is due in October and November. I will have a better idea in a about two weeks the cost of costumes this year. **IF YOU DO NOT WISH TO BE PART OF THE RECITAL EXPERIENCE PLEASE LET US KNOW IN WRITING BEFORE DECEMBER. IF WE DO NOT GET WRITTEN WORD, YOU WILL BE RESPONSIBLE FOR THE COSTUME COST.** Last year CPA ordered costumes for people who did not want them later on. Costume companies do not refund or exchange, and charge extra if we have to order after the first of January.

Pointe Shoes - Heaven and Pain

Our summer session level 2B students have now gotten their pointe shoes and the others in class are to follow the first of November. You have been working very hard. Congratulations to you on this important step forward in ballet.

Our dancewear shop has some items that might make great presents for your dancer. Leg warmers, wrap sweaters, new leotards, or a dance dictionary; every dancer needs one. If you would like for us to order something special, there is still time. Please let us know ASAP.

CPA is asking all dancers to bring one pack of hair elastics, (not the small ones please) and a box of Kleenex. We go through these at warp speed.

Also all dancers must wear a cover up when entering or leaving the building. Also please remember no Skirts on Pre-School, Kindergarten, Primary, Level IA, IB, or 2A; except on the last lesson of each month.

Hip hop dancers must wear a leotard, tights, dance shorts or jazz pants. No cover ups in class, this means no shirts over your leotards please. These dress code rules are for all classes.

I hope some of you got to see our Dance Team dance at the Halloween celebration at Town Center last week. Those of you that didn't miss a great evening. You did a great job.

SPECIAL NOTE FROM

MS. DOROTHY

I have a very sweet and loving outside cat that needs a good home. My neighbors moved and left her and she has now adopted the Ratcliff household. However I am very allergic to her and cannot give her the home she needs. Please if you have room in your life for a wonderful little cat, let me know.

Also if you have a pack and play or portable crib that you would like to sell, I need one for my grandbaby when he comes to visit in December

Thank you for your help.
