

Recital date reminder:

Class Day & Time: _____

Saturday May 26th 3:00 & 7:00

Account Balance: _____

September was and is a hectic month, scheduling classes and any changes needed, fitting shoes, answering the phone and assisting new dancers and parents. So let us thank you now for your patience and understanding. Most classes are full, however we still have a few openings in classes; if you know of anyone that might be interested, please let them know.

PARKING LOT

As to traffic flow; please enter from Eastman Rd and exit around behind Johnnie's. This will keep traffic moving safely; especially if you need to turn left onto Eastman Road. A problem with our parking lot; **CIGARETTES BUTTS; Please do not throw them out into the parking lot, leave them on the ground, or throw them into the flower beds in front of our doors.**

SAFETY PINS

You know those safety pins we put in your ballet slippers, well they need to be removed and the straps sewn into the shoes. The pins were to be temporary, So please sew them now; and put your name in all your shoes so we can find them when they get left or misplaced.

CORRECTING FIT

Tap Shoes: if they are too big you can A: put in a

innersole B: wear socks C: have mom or dad punch an extra hole in the strap with a small nail and hammer.

Also on tap shoes; check the nails or screws once a month to make sure they are not sticking out and the taps are smooth. They cut the floor if they are loose.

BATHROOM PROBLEMS

When one child says they need "To Go" all of a sudden they all need "To Go". It's a domino effect, and it can be disruptive to the class. Please have your dancer use the bathroom just before class starts. Also, remind the little ones to flush and wash hands.

HOLIDAY DANCES

We have already had former students ask if they can do "The Monster Mash" in class. If anyone has a problem with this please let us know. We do not have Halloween parties preferring instead to give the dancers a special treat the last week of October. Dancers may wear their Halloween costumes to class the last week of October.

SCHOOL BREAKS

CPA does not follow city or county breaks. We will have regular classes unless otherwise notified.

THANKSGIVING BREAK

CPA is usually closed on Thurs. Fri, and Sat. of Thanksgiving break. This year

City and County schools have opted to close on Wed as well. If anyone is going to use this time to go out of town, please let the CPA staff know. If the majority of students will be gone, CPA may close on Wed as well. All these classes may be made up at an additional time if you wish; either before or after the holiday's.

TUITION PAYMENTS

Just a reminder tuition is due the first class of each month. It doesn't matter if you have 3, 4, or 5 classes that month, tuition remains the same. If you pay after the 10th of the month please include the late fee of \$5.00.

NEW OFFICE SPACE

Please leave your payments with Mr. Daniel in the downstairs (studio C) office. There is no need to come all the way upstairs to do that now.

LATE PICK UPS

Please, all students must let their teachers know if their parents are late and are not to wait downstairs for 30 to 45 minutes alone. They are absolutely not to wait outside in the parking lot. I know problems occur; we gladly will wait with your child, however, we ask that you call if you are going to be more than 15 minutes late. **There will be a sitter's fee if you are more than 30 minutes late.**
